

March 2020 Ways & Means

With winter nearly over and spring around the corner, March is often the time many homeowners focus on needed home repairs, maintenance and spring cleaning. What a perfect time and opportunity for Southlake Newcomers Club to partner with locally based Hearts for Homes for our March charity. The mission of Hearts for Homes, a non profit organization founded in 2006 and serving North Texas, is to improve the living conditions of low-income senior homeowners in need. Hearts for Homes provides no cost home repairs and maintenance to low-income seniors helping them to have a comfortable and well functioning home. Hearts for Homes assists 90-100 in need senior homeowners every year. Typical work includes painting, roofing, plumbing repairs, replacing nonfunctioning appliances, yard cleanup and ADA accommodations. Donations of time, money, Home Depot or Lowe's gift cards are greatly needed and much appreciated.

At our March 17th dinner meeting, please consider making a cash or check donation or donating a Home Depot or Lowe's gift card to Hearts for Home so that they may continue this much needed work.

Thank you for helping to support Hearts for Home continue their valuable work helping seniors in need.

Volunteer Opportunities :

Hearts for Homes: 2nd and 4th Saturday's of the month volunteers of all skill levels are needed and welcome to assist the seniors. Office volunteers are also needed. Contact Hearts for Homes at volunteer@heartsforhomes.org.

I Can Still Shine: Volunteer for the Mother's Day Gift Giving event on May 9th at Birdville Baptist Church, 3141 Carson St., Haltom City. Contact Deb Dreyfus for more information on volunteering for this wonderful event which provides the children an opportunity to select a Mother's Day gift for their mom.
