

March 2021 Ways and Means

With Covid impacts and the recent February freezing temperatures, the **Roanoke Food Pantry** has continued to see increased need for food, pantry items and utility assistance to help assist impacted families in our community. During our March SNC luncheon meeting we will be collecting food, pantry items as well as monetary donations to help support the Roanoke Food Pantry.

Items needed include:

Canned goods

Pasta, Macaroni and Cheese, Hamburger Helper, Spaghetti Sauce

Boxed dinners

Canned meat

Cereal, Oatmeal

Peanut Butter

Dog/Cat food

Paper towels/Toilet paper

Monetary donations for utility assistance (checks payable to Roanoke Food Pantry)

Please bring your items to the March Dinner and we will deliver to the food pantry. If you are unable to attend the March Dinner, we will have a separate drop off/donation collection date on Wednesday, March 24th from 12-1 pm at the Tom Thumb parking lot on White Chapel/Southlake Blvd in Southlake. Thank you for helping SNC support the Roanoke Food Pantry and local families in need during these trying times.

SNC Scholarship Fund

During the month of March we will continue our efforts to raise funds for SNC Scholarships. The scholarship application process is open now on our website for students to apply. Through our member's generous donations we have raised \$4400 to date!! What fantastic news and a credit to our members! We are truly excited about our progress and grateful to all who have contributed! Our goal is to raise \$5000 and we are so close to achieving that and being able to award 5 scholarships just as we did in 2020. What an achievement for SNC if we were able to award 5 scholarships again this year!! If you have not had a chance to donate to the scholarship fund it's not too late! Checks can be mailed to Lisa Hill (her address is in Wild Apricot). Please make checks payable to SNCCF. Thank you for helping SNC make a difference for these students.
