

## Welcome One and All!

We are so pleased you are interested in Southlake Newcomers Club (SNC)! If you should decide to become a member, we have many Special Interest Groups that you may attend. We do allow you to attend two events of any kind to “try us out” before we ask that you commit to membership. **In light of recent developments relating to COVID-19**, this list represents a modified version of our Special Interest Groups that allow us to connect, yet still follow state guidelines for gatherings.

## Special Interest Groups

**Daytime Book Club:** Meets virtually via Zoom on the 3rd Thursday of each month at 10:00 am for tea and discussion of a pre-selected book. Leader is Emily Vissers.

**Craftabilities Corner:** This group offers step-by-step crafting tutorial sessions. Instructions are provided on video by Shelley Bergbower. Then, crafters gather via Zoom to go over the final results of the completed home decor crafts. Frequency of this Special Interest Group will vary during COVID-19. Fee will be included to cover the cost of the craft supplies. Leader is Shelley Bergbower.

**Fair Weather Hikers:** Meets Saturday Mornings at 9:00 am. Various trails are explored within an hour or so of Southlake/Keller. 4-6 mile avg. distances. Varying degrees of skill/ability are OK, just pair up with similar pace/distance hikers in the group. #1 RULE... No one goes alone or gets left behind on a group hike, please. *All bets off if it rains, sleet, snows or STEAMS.* :) Leader is Rhonda Hailey. This group can also be found on [SNC's private hiking group Facebook page](#). Join and keep up with updates.

**Garden Gals/Out 'n' About:** Explore beautiful gardens, nurseries, take historical tours, do craft activities, etc. All members welcome. We usually start in the morning, have lunch and return around 2:00 pm. During COVID-19, attendees should drive separately rather than carpool. The dates vary based on weather and the activity availability. Leader is Susan Schleppegrell.

**Game Night:** Meets via Zoom on the 4th Monday of each month at 7-9:00 pm. The Hostess for the month determines the games to play. Games Nights are planned virtually for September by Erin Mayer, October by Shelley Bergbower and November by Dianne Duke. More details to come. Focus is on playing games and socializing. Leader is Carol Russo.

**Mah Jongg w/ Card:** Meets each Monday and Tuesday via phone and the Real Mah Jongg App ([www.realmahjongg.com](http://www.realmahjongg.com)). Leader emails group members to determine who can play each Monday or Tuesday. Groups of four are then created from the RSVP's with a lead to call the other three for play. Leaders are Joanne Noeth (Mondays) and Valerie Shear (Tuesdays).

**Stitch and Bitch:** Meets the third Wednesday of each month from 10:00 am - Noon. If you enjoy crafts such as sewing, crocheting, knitting, quilting, cross stitch, felt work and more (no skills are necessary to participate), just bring your favorite handicraft and join us. This is a smaller sized group making social distancing very easy to accommodate. Leader is Zoe Kirby.

## **FOOD AND BEVERAGE**

**Coffee Talk:** Please join us every Saturday at 9:00 am at Central Market for coffee and/or breakfast. This is a wonderful way to get to know some lovely ladies over coffee. No need to RSVP, just show up with mask. Leader is Deb Dreyfus.

**Happy Hour:** Join us via Zoom for friends and fun on the 2<sup>nd</sup> Tuesday of each month at 4:30 pm. A link for the Zoom goes out via email or on our FB page. When the weather cools off, we hope to have an in person HH outside and socially distanced. **No RSVP needed!**

**Last Call Thursday Happy Hour:** Join your friends via Zoom for fun on the last Thursday of each month at 4:00 pm. A link for the Zoom goes out via email or on our FB page. When the weather cools off, we hope to have an in person HH outside and socially distanced. **No RSVP needed.**

We aim to be transparent and communicative! Please contact me if you have problems or questions!
